A Message from Bovearn

Bovearn is dedicated to creating PU decorative materials that combine aesthetics, practicality, and reliable performance.

Since 2014, we have continued to improve our product design, material quality, textures, and production standards, providing decorative solutions for residential and commercial projects worldwide.

For us, quality is not only a standard, but also a long-term commitment to our customers. We value every partnership and look forward to growing together with clients around the world.

About Us

Bovearn Building Material Co.,Ltd was founded in 2014 and specializes in the development, production, and export of polyurethane (PU) decorative materials.

Headquartered in Xiamen, China, bovearn has been committed to providing innovative, lightweight, and durable decorative solutions for residential and commercial projects worldwide. With years of industry experience and a deep understanding of international market requirements, we serve customers across Europe, Africa, North America, South America, the Middle East, East and Southeast Asia, and many other international markets worldwide.

Our product range includes PU decorative mouldings, PU ceiling medallions, PU wall panels, PU corbels, PU faux wood beams, PU decorative elements, and PU faux stone panels for both interior and exterior applications. Combining aesthetic appeal with easy installation and long-lasting performance, our products are widely used in architectural decoration, renovation projects, hospitality spaces, and residential developments.

At bovearn, quality and innovation are at the core of everything we do. We continuously invest in product development, manufacturing improvements, and quality control to ensure consistent product performance and customer satisfaction. Our experienced team works closely with customers to provide OEM and ODM solutions tailored to specific market needs.

Driven by reliability, craftsmanship, and long-term partnerships, bovearn has earned the trust of customers worldwide and continues to grow as a trusted manufacturer of PU decorative materials.

We welcome partners from around the world to work with us and explore new opportunities in the decorative building materials industry.
